

PRONTO JOINERY LTD

/ A SUMMARY OF ACCOYA® WOOD

A new world of sustainable and low maintenance windows and doors is available using Accoya® wood.

The result: a durable, dimensionally stable, reliable and beautiful solid wood with the performance characteristics of the most durable tropical hardwoods, but offering industry-leading environmental credentials.

- Accoya® wood windows and doors can be expected to last at least twice as long as engineered softwood before replacement
- Low risk of windows and doors jamming in humid conditions

- Coating maintenance intervals can be expected to be twice as long on Accoya® wood
- Accoya® wood windows and doors contain no biocides
- Thermal conductivity is improved in comparison with softwoods and hardwoods
- Accoya® window frames are now classified as Carbon Negative over their full life cycle

Pronto Joinery is based in Horsford on the outskirts of Norwich in a purpose built factory. Established in 1975 with the aim of providing the trade and the general public with wooden replacement windows and doors at reasonable prices. We use several types of timber to suit your needs. We have a paint spray shop where we can spray paint them to a colour of your choice. We can also supply your glazing needs, all to meet current regulations.

Traditional and honest workmanship are the hallmarks of our joinery company. We build our joinery according to your requirements. Personal recommendation from many satisfied customers is the backbone to our success.
